ENVIRONMENTAL MANAGEMENT
09/16

The Public Hearing was held in November 2017. The documents have been updated following the hearing reflecting the Recommended Build Alternative as shown at the Public Hearing as being the Preferred Alternative. The Preliminary Engineering Report was forwarded to US Coast Guard (USCG) for review as Cooperating Agency. The USCG provided acceptance of the navigational clearances of the Preferred Alternative. The District conducted a review of the documents and comments were incorporated. The documents were then uploaded into SWEPT and reviewed by OEM staff. All comments received to date have been incorporated into these documents. The Preliminary Engineering Report has been signed and sealed. All documents are complete.

List Cooperating Agencies: US Coast Guard

Document sent to Cooperating Agency: Yes

Date Sent: 04/12/2018

District Quality Control Completion Date: 04/10/2018

District Project Manager: Kirk Bogen **Phone:** (813) 975-6448

District Environmental Lead: Robin Rhinesmith

We certify that this document is complete and ready for review or approval.
